Calculation of Fees

The Rainier Cemetery District calculates fees for responding to public records requests in the following manner:

- \$2.00 per page for photocopies
- The cost of records submitted by fax is \$2.00 for the first page and \$1.00 for each additional page, limited to a 25 page maximum, not including the cover page.
- The cost of records transmitted by email is \$5.00 and is limited to 10 pages per email.
- Actual cost for use of the material and equipment for producing copies of nonstandard records.
- Upon request, copies of public records may also be provided on a compact disk (CD) if the document(s) are stored in the Rainier Cemetery District's computer system. Disks will be provided at a cost of \$5.00 per disk and may contain as much information as the disk will hold. Due to the threat of computer viruses, the Rainier Cemetery District will not permit requesters to provide disks for electronic reproduction of computer records.
- Labor charges that include researching, locating, compiling, editing or otherwise processing information and records:
 - No charge for the first 15 minutes of staff time.
 - Beginning with the 16th minute, the charge per total request is \$50 per hour or \$12.50 per quarter hour. A prorated fee is not available for less than a quarter hour.
- The actual cost for delivery of records such as postage and courier fees.
- \$10.00 for each true copy certification.
- Actual attorney fees charged to the Rainier Cemetery District for the cost of time spent by an attorney in reviewing the public records, redacting material from the public records or segregating the public records into exempt and nonexempt records.

The Rainier Cemetery District may require prepayment of estimated fees before taking further action on a request.
